Summer Seminary Information

Amy Pritchard is serving this summer as an intern for the North Central District. Amy is a candidate for ordained ministry and has just completed her second year of her Master of Divinity degree at Asbury Theological Seminary in Wilmore, KY. While at Asbury, Amy has participated in multi-cultural and urban ministries. Amy is a member of Centenary UMC, Lebanon, IN. Prior to attending seminary, Amy served as a house parent/direct care staff for thirteen years at the Indiana United Methodist Children's Home, Inc. in Lebanon, where she continues to assist on a part-time basis.

Amy is available to help do ministry as a pulpit fill, Vacation Bible School, work camp, teaching small groups, or help to give leadership to a project of your choosing. Contact the North Central District to schedule her.

Check Your Wireless Mics

Wireless mics and in-ear monitors that operate in the 700 MHz band will need to be replaced by the June 12, 2010 deadline set by the Federal Communications Commission. This is part of the digital television transition process that was completed last June. Operators of wireless mics were given an additional year to replace them because the 700 MHz band width is now used by police, fire and other emergency services as well as wireless broadband. Continued use of wireless mics operating in the 700 MHz frequency can cause dangerous interference with emergency service providers. Check the label on your device. Any items operating between 698 MHz and 806 MHz will need to be replaced.

Find out more by calling 888-225-5322 (888-CALL-FCC). To recycle your microphone, contact your local hazardous waste collection program or find more information at www.earth911.com/electronics or www.nrc-recycle.org/localresources.aspx.

Pastor Support Group

A pastor Support Group begins this month for pastors or others who had to leave their congregational leadership positions in the past five years. The group meets weekly for 10 weeks from mid-June to mid-September at Christian Theological Seminary, 1000 W. 42nd St., Indianapolis. Time and specific days are yet to be determined. When one is forced to leave his or her pastoral position, such a loss can be a devastating blow to the pastor and his or her family. The purpose of this group is to discover ways to experience healing and possibly a path of restoration to public ministry. Strict confidentiality is assured. If interested, contact Mark Graeser, M.Div., at mgraeser@cts.edu or 317-931-2379, extension 5135.
