### ANNUAL ASSESSMENT BETWEEN CLERGY AND STAFF-PARISH RELATIONS COMMITTEE

An annual assessment for discovering, developing, and deploying fruitfulness in the Indiana Conference.

**Instructions:**

Effective assessment systems focus on both the positive areas of our ministry and upon the aspects of our ministerial effectiveness that may need improvement. Read carefully the descriptions and explanations of each of the ratings. Reflect prayerfully on your self-awareness and provide narrative examples to support your rating selection. This form will be shared with your S/PPRC after the committee has completed its assessment of your ministry. Together you will then develop a plan of action to address the areas of growth as well as the pastoral and congregational goals for the year ahead.

1 = does not meet expectations; needs serious attention/improvement;  
2 = below expectations; needs correction/attention;  
3 = meets expectations; areas to affirm with room for improvement;  
4 = exceeds expectations; areas to affirm/celebrate; could be a mentor for others;  
5 = surpasses expectations; the best to lead, teach, mentor and coach others for fruitfulness
