Purpose of this Handbook

Greetings!

Thank you for serving on one of the Indiana Conference District Committees on Ministry (dCOM)! This is an awesome and holy responsibility, to journey alongside persons as they seek to discover, develop, and deploy their calling from God in ministry. I am so grateful for your willingness to share your gifts with God through the work of the dCOM and by extension the Board of Ordained Ministry!

This handbook is intended to accomplish three goals:

First, we want to make your valuable work as easy as possible. This handbook attempts to address everything you will need to do your work as a committee from organization, mentor recruitment, and the interview processes. It is designed to be used as a development tool for the team when it gathers together for its intended work.

Second, the Indiana Board of Ordained Ministry wants to ensure that all candidates are examined justly and consistently. When you gather to conduct an interview, you can flip to the right page in this handbook and have everything you need before you to do a thorough and careful interview. Using a common set of questions for all candidates, local pastors, provisional elders and provisional deacons will ensure that all will get a thorough and consistent experience across the conference. Our faith demands that we treat all people fairly.

Third, we want to make sure that our interviews rigorously examine all candidates and local pastors in the areas of Wesleyan theology, practice of ministry (leadership and fruitfulness), their articulation of calling and how they lead a disciplined life as a follower of Jesus. The qualities of Transformational Leadership for the Indiana Conference (included in the Resource Section) helps define with more clarity what this means.

All of the work of this committee carries a high level of confidentiality. As a matter of trust, it is essential that you observe the covenant of not discussing the work of this committee with anyone outside of the committee, nor share the files with others. This is an exciting journey to share together. Please be in prayer for the dCOM, our candidates, our district and conference staff, the Board of Ordained Ministry, and for yourself. Pray that through our work God will raise up outstanding leadership for our churches in this time.

Please join me in ensuring that our work is always fair, rigorous and Wesleyan. Thanks, and may God bless you in this holy task!

Rev. Matthew J. Leffler, Sr.
Associate Director of Leadership Development

P.S. The Indiana Conference of the United Methodist Church is deeply indebted to the many Conferences in our connection whose dCOM Handbooks we used as references in this revision. Thank you for making your resources available for us to use to improve ours.
Section 1: The Who, What and Why of the dCOM

The Discernment Process

In the United Methodist Church, there are several ways in which a person may serve in specialized ministry. As part of the discernment process, each person needs to prayerfully consider which form of ministry or vocation they are best suited to live out. Below are the various specialized ministries that are understood to be credentialled and result in a lay or clergy relationship with the annual conference. Please see the Discipline paragraph for a fuller description of each specialized ministry.

Section 3: Policies and Procedures

Confidentiality
The District Committee on Ministry (dCOM) is responsible for several items that may result in sharing of sensitive material. It is therefore understood that each member of the dCOM is held to a covenant of confidentiality. All members will sign a Confidentiality Agreement (a copy is in the Resource Section) that will be kept in the district office. Any member who does not hold to this covenant will be referred to the district’s Conference Superintendent for consideration of removal from the committee.

Conflict of Interest/Recusal
The guidelines set for the Board of Ordained Ministry shall also govern the work of the dCOM. If a dCOM member feels they cannot fairly evaluate a candidate based on the information they have, they shall voluntarily recuse themselves. This means that the member will remove oneself from the discussion and voting on a candidate by leaving the room. If the dCOM member is a family member of the candidate, they will recuse themselves.

Cultural Considerations
Per the Discipline, ¶310.2(b), the district committee “shall seek ways to consider cultural and racial/ethnic realities and language translations as candidates meet these requirements [for certification as a candidate], including interviews, psychological assessments, criminal background, and credit checks.” Specific consideration will vary by candidate, however, all persons requesting a guaranteed appointment status (associate or provisional membership) will be required to submit documents and interview in English.

Plagiarism
Plagiarism constitutes the copying of others’ work and submitting it in as your own. Plagiarism may be intentional or unintentional. Candidates are responsible for ensuring accurate citation of all non-original work that is included in submitted documents – including work previously published by the candidate in a different document/source. Plagiarism may include (but is not limited to):

- Submitting someone else’s work as your own, in whole or in part
- Copying sentences or ideas from someone else without giving credit (citation)
- Failing to identify a quote with quotation marks
- Providing incorrect information about the source of a quotation
- Changing words but essentially copying the sentence structure or general idea of a source without providing credit
- Copying so many words or ideas from a source (or sources) that it comprises the majority of your work, whether you give credit or not

(All the above is adapted from: http://www.plagiarism.org/plagiarism-101/what-is-plagiarism)

Acts of plagiarism will not be tolerated and may result in the denial of the requested status and/or discontinuance.

Process to identify plagiarism
The Board of Ordained Ministry uses iThenticate to check submitted documents for possible plagiarism. Any document submitted to the District Committee on Ministry (dCOM) or the Board of Ordained
Ministry (BoOM) may be checked. At a minimum, candidates pursuing the following will have their written material submitted:

- Provisional Membership and Commissioning
- Associate Membership and Recognition of Orders
- Full Membership and Ordination as a Deacon or Elder

The Conference Registrar will oversee the submissions and provide initial interpretation of results. For material submitted to the dCOM, instances of suspected plagiarism will be forwarded to the dCOM Chair for action by the committee and/or interview team. Acts of plagiarism will not be tolerated and may result in the denial of the requested status and/or discontinuance.

**Psychological Assessment & Background Check**

All persons seeking credentialing through the Indiana Conference are required to complete a psychological assessment and background check. The only exceptions are persons from other Conferences or other Methodist denominations (OE status) who seek to be approved for appointment and do not intend to transfer their credentials to the Indiana Conference.

Both the background check and psychological assessment processes are overseen by the Conference Registrar. For persons who are not in the Candidacy, Commissioning, or Ordination tracks it is the responsibility of the person, their Conference Superintendent, or dCOM Chair to request the background check or psychological assessment. The Indiana Conference uses the Behavioral Health Guidelines from the General Board of Higher Education and Ministry in evaluation of the background check and psychological assessment. If any flags or issues are identified, the Conference registrar will communicate the issue(s) with the districts’ Conference Superintendent and the dCOM Chair.

**Psychological Assessment**

The Indiana Conference uses the General Board of Higher Education and Ministry and UMCARES to completion of the psychological assessment. The psychological assessment report is based on information provided by the candidate in a Personal Data Inventory, references named by the candidate, completion of a GBHEM provided testing packet and an interview with the Ministry Assessment Specialist (MAS).

Persons seeking to be certified as a candidate normally complete testing as part of a Group Candidacy Orientation Retreat. All other persons complete testing with a proctor assigned by the Conference Registrar (usually in consultation with their district’s Conference Superintendent). All steps in the UMCARES psychological assessment track must be completed before the Conference Registrar will request the testing packet.

The Conference Registrar receives the final report from the designated MAS. A copy of the report is provided to the candidate, uploaded to UMCARES and shared with the district’s Conference Superintendent and dCOM Chair. A completed report will take a minimum of four weeks to complete – and may take much longer – depending on the candidate’s responsiveness.

**Background Check**

The Indiana Conference uses the services of Trak1 the background and credit check process. The Conference registrar submits an initial request to Trak1 who sends an email link to the candidate. Trak1 sends the completed report to the Conference Registrar who provides a copy to the district’s Conference Superintendent and the dCOM Chair.
UMCARES
UMCARES (United Methodist Candidacy and Record Entry System) is a software database used by the General Board of Higher Education and Ministry (GBHEM) and the Indiana Conference of the United Methodist Church to track the credentialing (candidacy) progress of an individual. It will be used for all persons who come to the District Committee on Ministry (dCOM) for an interview (except Certified Lay Ministers). As soon as a person becomes a Declared Candidate, their contact information is entered into UMCARES by the Conference Superintendent or their designee.

UMCARES consists of Tracks. Each track relates to the current status of the person and lists the steps that are required for completion. For instance, an Inquiring Candidate shall be placed in three tracks upon being input into the UMCARES system by the Conference Superintendent. The steps for each track must be completed before the person is interviewed to be considered to be a Certified Candidate. It is the responsibility of the person seeking credentialing to ensure the steps are completed. Specific directions for each track and step are in UMCARES. Consult the Help section of UMCARES for tutorials and “How to…” information.

Group Candidacy Process
The Group Candidacy process begins with the Group Candidacy Orientation Retreat (GCOR). It is a two-day retreat that kick starts the candidacy process. The Retreat is held twice each year (July and January). It is an opportunity for discerning candidates to connect with others who are exploring and starting the licensing or ordination process and to prepare for service to God through the United Methodist Church.

Participants will complete the testing that is part of the required psychological assessment.

During the Retreat, candidates are assigned to a covenant group and a candidacy mentor. This group will meet five (5) times during the Candidacy Process (twice at the Retreat) in order to work together to complete the process of discernment. The duration of the discernment process will vary based upon the candidate, but the Group Candidacy process can prepare a candidate to be ready for certification in as little as four (4) months. The entire Candidacy process can be found on our web-site at:
http://www.inumc.org/candidacyprocess

License to Preach School
License to Preach School is an intensive course designed to prepare people called to serve in pastoral ministry. It focuses especially on the pastoral behaviors, practices, and theological framework necessary to enable people to thrive as pastoral leaders under appointment in the United Methodist Church. The Book of Discipline of the United Methodist Church – 2016 (Discipline) requires persons who are approved for license to either complete the studies for license (License to Preach School) or have completed one-third of the studies toward Masters of Divinity degree (MDiv) from a University Senate approved school (or equivalent) (¶315.2(c)). Before registration, a student must be certified as a candidate by their District Committee on Ministry.

The Indiana Conference’s License to Preach School is currently offered in a Hybrid format (40 hours face-to-face and 40 hours online). The School is offered twice per year (Fall and Spring). The face-to-face hours are offered on three weekends. The tentative schedule is as follows:

<table>
<thead>
<tr>
<th>Fall Course</th>
<th>Spring Course</th>
</tr>
</thead>
<tbody>
<tr>
<td>Late August (Friday evening &amp; Saturday)</td>
<td>Late January (Friday evening &amp; Saturday)</td>
</tr>
<tr>
<td>Mid-October (Saturday &amp; Sunday)</td>
<td>Mid-March (Saturday &amp; Sunday)</td>
</tr>
<tr>
<td>Mid-November (Saturday)</td>
<td>Mid-April (Saturday)</td>
</tr>
</tbody>
</table>
The online portion is divided into modules that have videos, discussion forums, and assignments due each week between face-to-face session. All course work must be completed in order to be considered for licensing. More information may be found at: www.inumc.org/licensetopreachschools.

**Course of Study**
The Basic Course of Study is a year-round experiential and classroom learning process. The Discipline requires that all persons who are licensed as Local Pastors to make satisfactory progress toward the completion of Course of Study (or equivalent) (¶319.1). The Basic Course of Study is 20 courses in Bible, Theology, Church History, and the practice of ministry.

**Full-time Local Pastors**
- Required to take four (4) courses per year
- Have eight (8) years to complete Basic Course of Study
- May take up to one-half (10 courses) via Online curriculum [https://www.gbhem.org/education/licensing-and-course-study/online-courses](https://www.gbhem.org/education/licensing-and-course-study/online-courses)

**Part-time Local Pastors**

**Online Course of Study Classes**
Most of the Basic Course of Study classes are available in an online format through the GBHEM’s Division of Ordained Ministry. By Discipline, no more than one-half of the classes may be taken in this format. ¶322.1(3)

**Indiana Conference Course of Study policies**
- Adequate progress in studies is a requirement for continuation of a license as a local pastor (2016 BOD ¶319). Course of Study is required (and scholarships available) only when someone approved for license is under appointment (and granted a license).
  - For local pastors who are completing an undergraduate or seminary degree, adequate progress means completing a sufficient number of courses each year to graduate within the time frame set by the school (usually eight years).
  - For local pastors who are completing the Course of Study, adequate progress is defined as:
    - Part-time local pastor – two courses per year
    - Full-time local pastor – four classes per year
- If a local pastor has reached the maximum number of years to complete of Course of Study, the dCOM may grant an annual extension by ¾ majority vote (Discipline, ¶319.3)
Four (4) classes is the maximum number of Course of Study classes that can be completed in an academic year. An exception of one additional class in a year may be requested by a student. Such a request may be granted by the COS school on a case by case basis, only after approval of the request by the following:

- Their Conference Superintendent
- Conference Registrar,
- Director of the Regional and Extension Course of Study School
- The General Board of Higher Education and Ministry

If a local pastor has not made satisfactory progress toward completion of Course of Study for two (2) consecutive years, the dCOM should vote to recommend that their licensed not be continued.

Local pastors who reach mandatory retirement age who are still appointed and have not completed the Basic Course of Study must continue with Course of Study classes.

A person who has been recommended for Local Pastor status but is not currently appointed or assigned to a local church may enroll in Course of Study for up to two calendar years.

Transcript evaluation for Course of Study/Advanced Course of Study Equivalency

Graduate level education may be evaluated for equivalency credit for the Course of Study and/or Advanced Course of Study requirements. Normally, undergraduate coursework is not given credit toward Course of Study. If there are missional reasons, a Local Pastor may fill-out Form # COS2 - Request for Undergraduate Transcript Review for Course of Study Credit and request that their official transcript be reviewed for credit.

All requests for an evaluation will be handled through the Conference Registrar. Upon receipt of an official transcript or transcripts (provided by the candidate), the Conference Registrar will submit them to the General Board of Higher Education and Ministry Division of Ordained Ministry. In general, the Board of Ordained Ministry (BoOM) will abide by the equivalency decision made by GBHEM.

Indiana Extension Course of Study School

The Indiana Extension Course of Study School is a cooperative effort between the Indiana Conference and the Regional Course of Study School at Garrett-Evangelical Theological Seminary. The school offers two face-to-face sessions each year for part-time local pastors.

Mentoring

What is a Clergy/Candidacy Mentor?
The United Methodist Church has two distinct uses of the word mentor. Candidacy mentors relate to persons during the candidacy process. Clergy mentors relate to persons in the first several years under appointment. A local pastor is in a relationship with a clergy mentor during the years spent in the Course of Study and a provisional member (commissioned ministers pursuing deacon’s or elder’s orders) has a clergy mentor during the years spent in provisional membership.

Trust is one of the fundamental building blocks of a successful mentoring relationship. A key factor in its development is a shared understanding of the degree to which communication between mentors and mentees is considered confidential, both by the individuals themselves and by the structures of the annual conference. All participants in mentoring should be aware of the stated expectations and standards of the conference in regard to communication between mentors and mentees.

Those serving as mentors are expected to exercise wisdom in helping create a safe place for reflection and growth. Clergy mentors should have the maturity of faith and the skills for helping shape a relationship in which intense reflection about the other person’s call and vocation can take place.

While mentors are required to report about the local pastor or provisional member being mentored, the written report is shaped and shared in such a way that the integrity and safety of the mentor/mentee relationship can be maintained. (The mentee is the person being mentored. Mentor refers to the person relating to the mentee.)

What the Mentor Is Not
The mentor is never . . . Supervisor, expert, recorder, snitch, counselor, mother, fix-it person, just a friend...

Candidacy Mentors Standards (¶ 349.1a)

Candidacy mentors are clergy in full connection, associate members, or local pastors who have completed the Course of Study trained to provide counsel and guidance related to the candidacy process. The district committee on ministry will recruit mentors for the candidates within their district in consultation with the conference superintendent.

Candidacy Mentoring Responsibilities

- Will guide and facilitate process, learning, and conversations for the mentoring group.
- Will become familiar with the Candidacy process in order to assist group.
- Keep up with the online checklist and any other administrative details required as a mentor.
- Will share wisdom and experience while at the same time providing space for Mentee to share and learn from them.
- Will practice confidentiality with the people mentoring seeking permission from the candidate if at any point the content of the conversations should be shared.
- Will remain as a mentor for those mentoring until they reach Provisional or Local Pastor Status.
Clergy Mentor

Clergy Mentor Standards (¶ 349.1b)
Clergy mentors are clergy in full connection, associate members, or local pastors who have completed the Course of Study trained to provide ongoing oversight and counsel with local pastors and with provisional members pursuing ordained ministry. Local pastors will be assigned a clergy mentor by the district committee on ministry in consultation with the conference superintendent. A candidacy mentor may continue with the same person if trained to serve as a clergy mentor.

General Clergy Mentoring Responsibilities
- Meet to establish a covenant and schedule for regular and ongoing meetings.
- Pray for those who are mentored.
- Establish and maintain negotiated confidentiality in the mentoring relationship, building on trust.
- Make at least one onsite visit to the workplace of the local pastor or provisional member each year to enhance reflection on ministry practices. Do not meet with the S/PPRC or the DS as a part of the site visit.
- Help the person or group being mentored to focus on issues of role, authority, and office, and to reflect theologically on their practice of ministry.
- Encourage the clergy to reflect on their growth in discernment of vocation.

Local Pastor Mentor Responsibilities
- Become familiar with Course of Study and Extension School for local pastors and the educational materials used.
- Discuss Course of Study work with the clergy and consult on matters of pastoral responsibility. Discuss specific assignments from Course of Study instructors.
- Offer feedback about coursework.
- Know about resources, contact persons, and procedures relevant to continuation as a Local Pastor – including any dCOM deadlines related to the application process for continuation and interviews.
- Write annual mentor reports for the dCOM.

Certified Lay Minister (CLM) Supervisor (¶268.1)

Certified Lay Minister (CLM) Supervisor Standards (¶268.1)
CLM Supervisors are elders in full connection, associate members, or local pastors who have completed the Course of Study trained to provide ongoing oversight and counsel with the certified lay minister (CLM) in a local church setting. Local pastors will be assigned a CLM supervisor by the conference superintendent in consultation with the district committee on ministry (dCOM).
Certified Lay Minister (CLM) Supervisor Responsibilities

- Developing an ongoing working relationship with both the certified lay minister (CLM) and the local church’s Mutual Ministry Team.
- Meet regularly with the certified lay minister and the Mutual Ministry Team (MMT).
- Consult with the Mutual Ministry Team and certified lay minister (CLM) in matters of the ministry setting’s administration and outreach.
- Assist the certified lay minister (CLM) and Mutual Ministry Team (MMT) in the creation, revision, and implementation of a Ministry Covenant.
- Oversee the sacramental life of the church that the certified lay minister is assigned.

Mentor Confidentiality

The definition of confidentiality as stated on page 17 of *Answering the Call: Candidacy Guidebook* is affirmed as the Indiana Conference’s official understanding of the confidentiality between mentor and candidate with the following additions:

- An agreement of confidentiality will be signed by both candidate and mentor as part of the Group Candidacy Process covenant. A recommended agreement will be presented as part of the Group Candidacy Orientation Retreat.
- Any summary of the mentoring relationship written by the mentor is to be signed by both the candidate and the mentor prior to submission. Should there be any comments of disagreement; the candidate may add comments to the statement.

At the District Level:

- Mentors may attend the certification interview with the candidate and be present as a silent observer but leave with the candidate at the end of the interview.
- If the mentor is on the District Committee, he/she will leave during the discussions in the plenary but return for the vote.

At the Conference Level:

- If the Mentor is a member of the Board of Ordained Ministry, they will not be on the interview team of their candidate.
- If the Mentor is a member of the Board of Ordained Ministry, they will not be present during the plenary discussion but will return to vote.
Section 4: dCOM Interview Guidelines

Guidelines for preparing for an interview using UMCARES

- dCOM chair/registrar will make sure the necessary paperwork is turned in for the candidate file and uploaded into UMCARES.
- Before any files are sent out via email from UMCARES, all dCOM members will have a signed confidentiality agreement on file at the district office.
- A week before each interview, candidate file links will be sent by dCOM chair/registrar to all dCOM members for their team interviews only.
- dCOM members are expected to set aside time before the day of interviews to adequately read and review the files for the candidates they are interviewing.
  - For initial certification and licensing or recommendations to Board of Ordained Ministry it is expected the entire file will be reviewed.
  - For renewals, pay special attention to interview forms from the past several years and educational updates.
- Practice good stewardship of paper and ink (print only what you really need.) Please do not print out medical records or psychological reports.
- Following the interview shred any printed pages and delete files from your computer within 48 hours.

Guidelines for preparing for an interview on the day of interview

- dCOM chair will organize interview teams, who will then report back to the full plenary a recommendation for a final vote on the candidate’s request.
- On the day of interviews allow adequate time before interviews for teams to discuss a strategy for the interview. Decide on the most important questions, follow ups from previous interviews, and who will ask each question.
- Refer to the proper questions and forms in the dCOM Handbook for the appropriate interview.
- In each interview team, decide who will take notes and make sure each interview has the proper interview form. Choose a time keeper, aiming for 30-50 minutes per interview, depending on purpose of interview.
- In each interview team, decide who will pray at the beginning and at the end of each interview.

Guidelines for interviews

- A designated team member will greet the candidate in the waiting area and accompany them to the interview team room.
- Team Leader will welcome the candidate, introducing them by: name, ministry and purpose of interview/candidate’s request.
- Team members will introduce themselves.
- Someone will begin with prayer.
- Ask appropriate questions for the stated purpose of the interview, centering around the interview strategy. Refer back to the dCOM Handbook for required and suggested questions for the stated purpose of the interview.
- Toward the end of the interview, ask candidate if they have any questions for the dCOM.
- Candidates will be reminded that the full dCOM has the final vote, not just the interview team, and describe how the final decision of the dCOM will be communicated to the candidate.
- Someone will close with prayer.
• A designated team member will accompany the candidate back from the interview room.
• Interview teams will discern their recommendation to plenary.
• Team members will complete the appropriate interview form, prepare for their plenary report and evaluate their team interactions.

Glossary of Candidacy Terms

Note: More details and in-depth information can be found in *The Book of Discipline of the United Methodist Church – 2012 (Discipline)* for many of the terms below. Where appropriate, paragraph numbers from the *Discipline* are noted.

**Annual Conference** - A geographical area and organizational term. It defines a region that includes all United Methodist churches and ministries in that area. Members meet annually to approve business, set budget, and promote ministry programs. The annual conference commissions provisional clergy members, ordains deacons and elders, and licenses local pastors for ministry. The bishop appointed to that conference presides over the annual meeting and all matters affecting that conference’s ministry (¶11, ¶601-657).

**Appointment Beyond the Local Church** - One category of service for provisional or ordained deacons. Deacons serve in a local church or in an appointment beyond a local church. Appointments may be to a United Methodist-related agency or other service area (i.e. social work, teaching, health ministries, etc.). Deacons serving an appointment beyond the local church also have a secondary appointment to a congregation (¶ 331).

**Associate Members** - Local pastors who have reached age 40, completed at least four years of full-time service as a local pastor, and the five year Course of Study, and have been approved by the board of ordained ministry and clergy session. They are not ordained, but are available for full-time service and are guaranteed an appointment within the annual conference. Associate members have voice and vote in every matter except constitutional amendments, ordination, and conference relations of clergy (¶321–323).

**Bishop** - Bishops are elected by lay and clergy delegates of the jurisdictional conference. Bishops oversee one or more conferences and lead The United Methodist Church. They are authorized to “guard the faith, order, liturgy, doctrine and discipline of the church” and to “lead all persons entrusted to their oversight in worship, in the celebration of the sacraments, and in their mission of witness and service in the world.” (¶401-403).

**Board of Ordained Ministry (BoOM)** - Each annual conference has a board of ordained ministry. The board recruits, nurtures, and supports those preparing for licensed or ordained ministry, and evaluates whether or not candidates have the gifts for ministry and are ready to serve. The board is the credentialing body for clergy in an annual conference and is responsible for continuing formation programs for clergy and for matters relating to changing conference relationships and clergy conduct (¶ 635).

**Book of Discipline** - The United Methodist Church’s book of law. It includes historical information, doctrinal standards, and policies that can only be changed by General Conference. It is updated and reprinted every four years (quadrennium) to reflect decisions made by the General Conference.

**Book of Resolutions** - Reflects The United Methodist Church’s stance on current issues of faith. General Conference delegates decide what the resolutions will be, based on petitions received. It is updated and reprinted every four years (quadrennium) to reflect decisions made by the General Conference.
**Book of Worship** - Contains the order of weekly services, the liturgy for Holy Communion (or Word and Table), Baptism, marriage, funerals, healing, and other types of services for The United Methodist Church.

**Cabinet** - The bishop and district superintendents when meeting as a body. All conferences have a cabinet.

**Call, Call Story, or Calling** - An experience or set of decisions, circumstances, or encouragements that lead an individual to believe God has asked them to serve in a certain ministry. Many clergy refer to being “called” to preach or serve. During the candidacy process, candidates will be asked to write and talk about how they have discerned God’s calling in their lives and how and where they believe God is calling them to serve.

**Campus Minister or University Chaplain** - Campus ministers and university chaplains serve on college campuses throughout the world. Some work in United Methodist campus ministries, while some work in ecumenical settings. Others are chaplains at United Methodist-related colleges and universities. Ministry with students is central, but these ministers are also concerned with faculty, staff, and administration—in other words, they work with the whole campus. Some campus ministers and chaplains are ordained deacons and elders. Others are laypeople who have received training for ministry on campus.

**Candidacy** - A discerning and preparatory period of time and the process by which those wishing to serve as local pastors, deacons, or elders apply, and are evaluated, by their annual conference to serve on behalf of The United Methodist Church (¶ 310-314).

**Candidacy Mentor** - An ordained deacon, elder, associate member, or local pastor who has completed the Course of Study, trained to provide guidance to candidates. They are assigned a candidate by the district committee on ordained ministry and assist the candidate in understanding the process and further discerning their call as they become certified and licensed or provisional members (¶ 349).

**Candidacy Process** - Another way of talking about candidacy (¶ 310-314).

**Candidate** - A person enrolled in the candidacy process who wishes to serve as a local pastor, deacon, or elder.

**Central Conference** - Central Conferences are the conferences for areas outside the United States. The church has seven central conferences in Africa, Europe, and the Philippines (¶ 540ff.).

**Certified Candidate** - A candidate who has been approved by their local ministry setting and the district committee on ordained ministry to continue the process of moving toward licensing or ordination (¶ 310.2).

**Chaplain** - Elders or deacons working in specialized ministry settings. Endorsed chaplains and pastoral counselors work in settings such as prisons, hospitals, the armed forces, and counseling centers (¶ 1421.5).

**Charge Conference** - A local church meeting that includes members of the governing body (i.e. church council) and the clergy. It meets at least once a year to review goals, elect new leaders, set clergy
salaries, and recommend persons for candidacy. It is typically facilitated by the district superintendent (¶ 246).

**Clergy** - Commissioned and ordained deacons and elders; associate members, and local pastors serving under the full or part-time appointment of a bishop (¶ 142).

**Clergy Mentor** - An ordained deacon, elder, associate member, or full-time local pastor who has completed the Course of Study (I don’t think that is right), trained to guide provisional deacons or elders as they prepare for ordination (¶349.1b). Also, can be used to guide Local Pastors

**Conference Superintendent (CS)** – The Indiana Conference uses this term for the role of District Superintendent as defined in *The Book of Discipline*. Supervises the churches within a district of the annual conference. They serve as extensions of the bishop’s authority and supervise clergy within that district (¶ 419).

**Conference Tithe** - A portion of local church offerings that churches contribute to their district and conference to support the annual conference and general church ministries.

**Course of Study** - Prescribed ministry classes for local pastors. Part and full-time local pastors attend the Course of Study while serving churches. The course takes at least five years to complete.

**Deacon** - Deacons are called by God, authorized by the church, and ordained by a bishop to a lifetime ministry of Word, Service, Compassion, and Justice. They serve the community and congregation in a ministry that connects the two. Deacons are called to a lifetime of servant leadership, serving the congregation and the world. A deacon serves all people, particularly the poor, the sick, and the marginalized, and equips and leads the laity in ministries of compassion, justice, and service. The deacon’s role connects the church’s worship with its service in the world (¶328-331).

**Deaconess and Home Missioner** - Deaconesses (laywomen) and home missioners (laymen) are professionally trained and devote their lives to service through the Church’s. They are approved by the General Board of Global Ministries and commissioned by a bishop. They may serve with any United Methodist agency or program or in agencies outside The United Methodist Church, provided that approval is given by the board in consultation with the bishop of the receiving area (¶ 1314).

**Discern** - Synonymous with decide. Carries an underlying assumption that the decision is made with considerable thought, prayer, study, and attention to God’s call in one’s life.

**District** - One of several geographic areas in an Annual Conference. Each church is part of a district and an annual conference. Districts are supervised by a district superintendent. The number of districts in a conference varies depending on the conferences’ size.

**District Committee on Ministry (dCOM)** - Evaluates, certifies, and recommends to the board of ordained ministry all those applying for licensed or ordained ministry. The dCOM oversees all candidates within that district and supervises all matters related to candidacy and licensing. The committee interviews candidates, recommends candidates for provisional membership, and approves all local pastors serving within the district (¶ 666).
**District Superintendent (DS)** - Supervises the churches within a district of the annual conference. They serve as extensions of the bishop’s authority and supervise clergy within that district (¶ 419).

**Elder** - Those called by God, authorized by the church, and ordained by a bishop to a lifetime ministry of Word, Sacrament, Order, and Service. Like all Christians, elders are committed to a lifetime of service, although this service manifests itself in different ways than deacons or the laity. The elder serves in ministry and servant leadership and gives pastoral leadership to order the life of the congregation. Elders devote themselves to the ministry of the Word, including primary responsibility for preaching and teaching the Word of God (¶ 332-335).

**Endorsement** - The process to ensure that pastoral counselors and prison, hospital, or military chaplains are qualified and prepared to appropriately represent the Church in their ministry settings (¶ 1421.5).

**Episcopal** - Refers to something relating to a bishop. For instance, an Episcopal area is the area under the supervision of a particular bishop.

**Extension Ministry** - Refers to elders who serve in ministry outside of a local church setting. It includes settings such as conference administration, chaplaincy, pastoral counseling, teaching, etc. The bishop appoints the elder to that position. This appointment may happen at the elder’s request and through consultation with the bishop (¶ 343-344).

**Fellowship of Local Pastors & Associate Members**
- Provides mutual support for its members for the sake of the life and mission of the church. All local pastors and associate members shall be members of and participate in the Fellowship (¶ 323).

**Full Connection** - An ordained deacon or elder serves as a member in full connection to an annual conference. Their life and work is amenable to the annual conference and they are supported by and accountable to that annual conference. Except for the election of lay delegates, members in full connection have voice and vote in all matters related to the annual conference, to the clergy of that conference, to the general conference, and constitutional amendments of The United Methodist Church.

**Full Member** - (similar to Full Connection) Refers to an ordained elder or deacon in good standing with an annual conference.

**General Agencies** - The United Methodist Church has thirteen general boards and agencies that work in different ways on behalf of local churches, annual conferences and the denomination.

1. General Board of Church and Society (GBCS) www.umc-gbcs.org
2. General Board of Discipleship (GBOD) www.gbod.org

12. General Council on Finance and Administration (GCFA) www.gcfa.org

**General Conference** - The international gathering and business meeting of The United Methodist Church that occurs every four years with about 1,000 delegates who are clergy and laity from each annual and central conference. This body decides on petitions to change The Book of Discipline and Book of Resolutions and is the only body authorized to speak on behalf of The United Methodist Church (¶ 8, ¶ 501-511).

**Group Candidacy Mentoring** - The opportunity for candidates to meet with a candidacy mentor and a group of other candidates. Many conferences offer this structure to provide candidates opportunities to learn from mentors and each other.

Home Missioner - See deaconess (¶ 1314).

**Itinerate** - Indicates an elder, associate member, or local pastor agrees to serve where the bishop appoints. This system is called itineracy. Often “itineracy”, “guaranteed appointment” or “security of appointment” are discussed as parts of this system that is the basis of the commitment between the church and clergy who serve.

**Jurisdiction** - A group of annual conferences within a geographical region in the United States. There are five jurisdictions (North Central, Northeast, South Central, Southeast, and Western). The Indiana Conference is a member of the North Central Jurisdiction. The Jurisdictional Conference meets every four years after General Conference and consists of delegates from each annual conference in that region. The conference elects bishops for their jurisdiction (¶512-537).

**Layperson (or Laity)** - A member of a local church.

**Licensed Local Pastor** - Someone who is not ordained as an elder or deacon but is appointed to preach, conduct worship, and perform the duties of a pastor in a particular setting. That person must complete licensing school, Orientation to Ministry, and receive an appointment to serve. Local pastors attend Course of Study school each year and meet with the district committee on ministry annually for continual approval and eligibility. Local pastors are not required to earn a Master’s of Divinity, or to itinerate, are not guaranteed an appointment, and usually serve smaller congregations (¶ 315-320).

**Ordained Ministry** - The ministry of deacons and elders who have been ordained by a bishop to serve in The United Methodist Church (¶ 301-304).

**Order of Deacons/Order of Elders** - A covenant community within the church to mutually support, care for, and hold accountable members for the sake of the life and mission of the church. These orders seek to respond to the spiritual hunger among clergy for a fulfilling sense of vocation, for support among peers, and for a deepening relationship with God. All ordained persons upon election to full membership in the annual conference shall be members of and participate in an order appropriate to their election (¶ 306).

**Ordination** - Performed by laying on of hands by the bishop. It signifies that the church affirms and continues its ministry through these persons. Persons may be ordained as deacons or elders and commit
to living and proclaiming the gospel. Deacons are ordained to the ministries of Word, Service, Compassion, and Justice. Elders are ordained to the ministries of Word, Sacrament, Order, and Service (¶ 301-304).

**New Pastor Orientation** - Sponsored by the board of ordained ministry and required for all ministry candidates. Helps to build collegiality and develop an understanding the ministry of deacons, elders, and local pastors (¶312).

**Pastor** - A pastor is an elder, associate member, or local pastor appointed to serve in charge of a station, circuit, cooperative parish, extension ministry, ecumenical shared ministry, or church of another denomination, or on the staff of such. Deacons, who may serve similar roles as the pastor, should not be called pastors (¶339).

**Polity** - Refers to the rules and traditions of The United Methodist Church. It includes The Book of Discipline, history, practices, and beliefs of the denomination.

**Professional Certification** - Recognition that someone has met academic standards, experience, and continuing study to achieve and maintain professional excellence. Visit gbhem.org/certification for a listing of current certifications.

**Professional Ministry** - To make one’s living by serving in ministry. Can apply to laity or clergy.

**Provisional Membership** - The step in the ordination process between candidacy and ordination when a commissioned deacon or elder serves as a provisional member. Those applying for ordination serve as a provisional member for a minimum of two years, depending on annual conference policy. Provisional membership ends with ordination, or when a decision is made not to proceed toward ordination (¶ 324-327).

**Seminary or Theological School** - Term for post-graduate school of theology that educates and prepares people for ministry. Candidates for ordination must graduate from a school approved by the University Senate of The United Methodist Church.

**UMCARES** - The online system managed by the General Board of Higher Education and Ministry to track candidates for licensed or ordained ministry. District superintendents invite candidates to enroll in the system after they have written to request admission to candidacy (¶ 310.1).

**Social Principles** - A prayerful and thoughtful effort of the General Conference to speak to contemporary issues from a sound biblical and theological foundation. The Social Principles are a call to all members of The United Methodist Church to a prayerful, studied dialogue of faith and practice (¶ 160-166).

**Staff/Pastor-Parish Relations Committee (S(P)PRC)** The committee in each church that assists clergy and staff in setting leadership and service priorities. Evaluates and approves those beginning candidacy for licensed or ordained ministry from that congregation (¶ 258.2).

**University Senate** - A body of higher education professionals that determines schools, colleges, universities, and theological schools that meet criteria for United Methodist Church affiliation. Ordination candidates must complete educational requirements at a University Senate-approved institution (¶ 1414-1418).

General Board of Higher Education & Ministry Division of Ordained Ministry: A United Methodist Glossary of Candidacy Terms

What is a Transformational Leader?

As we look at the task of the Board of Ordained Ministry (Paragraph 635) and compare that work to the responsibilities and duties of a pastor (Paragraph 340.4), we find this to be a very challenging task. In order to be able to discern the characteristics necessary for the work of enlistment and recruitment of faithful and fruitful ordained ministers the Indiana Conference Board of Ordained Ministry has sought to take the definition of a pastor and bring it to its simplest qualities. What we have discerned is that for the Ministry of the Indiana Conference Board of Ordained Ministry, the traits necessary to be an effective pastor fall into two categories: Foundational and Transformational Qualities for Christian Ministry. While this list is not exhaustive, it is meant to be a simple guide for discerning the Gifts and Graces of an individual and whether or not that individual has the best potential to thrive in this ministry.

First we will look at the Foundational Qualities for Christian Ministry:

- Genuine faith/grounded spiritually
- Inspired by the Holy Spirit
- Person of integrity
- A two commandment person (love God and love people)

These foundational qualities are considered to be characteristics necessary before an individual should consider coming before the board. These are the foundational qualities identified in the discipline and what we expect of all disciples of Jesus Christ, Lay and Clergy.

Genuine faith/grounded spiritually – A individual must first see themselves as primarily a person of faith, meaning that they understand that they cannot find their true purpose apart from their relationship with Christ. This necessitates that an individual be grounded in their personal spiritual walk with God. As spiritual leaders we must first be a spiritual being in order to lead others into a spiritual life. To this end an individual’s life must be grounded in their spiritual walk and faith.

Inspired by the Holy Spirit – To the end that an individual must be grounded in their faith, in order to be a Spiritual leader, they must also be inspired by the Holy Spirit. Our world looks to many different things for our meaning and reason to do what we do, but as believers in Christ we look to the Holy Spirit to guide us in our actions and spur us on to greater actions than what our selfish desires. This means that an individual who is seeking to serve the church must daily walk in the presence of the Holy Spirit and seek God’s guidance and wisdom in how to live their life and how to lead others to live their lives.

Person of Integrity – In seeking to lead others individuals must necessarily be persons of integrity. It is not enough for us to dream big, we must live the life to which we have been called. This demands that we be known by our fruit. Can we be trusted? Do we accomplish what we say we will? Do we finish what we start? All of these and more are questions that the people around us are asking and look to us as faith leaders to answer. When others let them down we must be able to show them that God never lets them down. As Spiritual Leaders, our personal integrity bears witness to integrity of the one to whom we follow.

A two commandment person – To this end we must follow the example given to us by Jesus Christ himself. When he was asked what the greatest commandment was, he responded with “’You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.’ This is the
greatest and first commandment. And a second is like it: ‘You shall love your neighbor as yourself.’ On these two commandments hang all the law and the prophets (Matthew 22:37-40 NRSV).” In order to be Persons of Integrity who are also followers of Jesus, we must be known by our love; love of God and love of people. If we do not first and foremost love then we will struggle to point people to the God of love.

In these qualities we as a board find the general requirements of all disciples of Jesus. Therefore, we needed to further define what makes an individual qualified to serve in the capacity of a Clergy person within the context of the Indiana Conference of the United Methodist Church. To this end we discerned what has become known as the Transformational Qualities of a Leader.

The following transformational qualities were developed after a lengthy discernment process that was inspired by the Holy Spirit.

- Passionate about leading a vital, disciple-making congregation
- Risk-Taking Leader
- Effective Communicator
- Relational Competence
- Teachable and Self-aware
- Basic administrative skills to move the church/people forward

**Passionate about leading a vital, disciple-making congregation** – Being a Transformational Leader means that an individual has a disposition for growing disciples. They are willing to asking hard questions and are willing to developing disciples so that they develop churches that do ministry and are not pastors alone doing ministry. This means that they have a commitment to empower laity and see that as a primary focus in their work.

**Risk-Taking Leader** - Being a Transformational Leader means that an individual possesses leadership abilities to cast vision, develop projects and move a church forward in growth. This requires that an individual be willing to immediately seize upon opportunities and avoid hazards despite the reluctance of those around them to take that faith step.

**Effective Communicator** - Being a Transformational Leader means that an individual excels in written and oral communication. This individual will have the ability to communicate vision to both the church as a whole and to individuals. A Transformational Leader must be able to explain their discipleship driven risks in ways that encourage others to join in the Kingdom work.

**Relational Competence** - Being a Transformational Leader means that an individual understands systems theory. They are able to look beyond the immediate events and see the deeper realities that are present, therefore allowing them to lead beyond the current situation and into a fuller understanding of reality. This requires that an individual come into these kinds of settings with appropriate self-awareness, self-management, and relationship management skills.
Behavioral Health Guidelines

These guidelines were developed by the General Board of Higher Education and Ministry in consultation with legal, psychological, pastoral and financial advisors. They have been adopted by the Indiana Conference Board of Ordained Ministry. Although these guidelines were developed for use in evaluating candidates for ministry, they are appropriate for clergy in all stages of ministry as together we live out our covenant to be accountable to our churches and one another.

In using these guidelines, the Board assumes that candidates for commissioning and ordination will be familiar with these guidelines and adhere to them. When a candidate presents behaviors that do not adhere to these guidelines, the Board will be supportive and pastoral in helping the candidate to seek care.

Physical Health

**Standard:**
The candidate is of sound physical health sufficient to perform the essential duties of the office, has no current or recurrent disqualifying impairment, and demonstrates no obvious physical health concerns.

**Rationale:**
Neglect of physical health is known to impair function in pervasive ways. Responsible preventive health care maximizes the functional abilities of the individual and minimizes the health care costs to the annual conference.

**Recommendations:**
Candidates should be able to articulate their plans for physical health care. Candidates with non-disqualifying medical problems should demonstrate medical consultation and cooperation with treatment plans.

Management of Personal Finances

**Standard:**
The candidate is not in debt so as to embarrass the church.

**Rationale:**
While this may not, on the surface, seem to be a behavioral health issue, personal financial management has to do with general maturity, including the ability to set priorities, maintain discipline and delay gratification. Difficulties in this area raise concerns about judgment and impulse control. However, we do recognize that all debt is not bad debt. Since all candidates for ordained ministry are required to have completed an undergraduate degree program, as well as a seminary master’s degree, some educational debt load is expected. We will keep this fact in mind as we evaluate each candidate’s financial health.

**Recommendations:**
If the candidate has a history of having been reported to the credit bureau, then three years of a good credit history is recommended. If the candidate has a history of a personal bankruptcy, then five years of good credit is recommended. If the candidate has a history of money judgments, then it is recommended that the judgments be satisfied prior to continuance.

Mental Illness

**Standard:**
The candidate has no current or recurring disqualifying psychological impairment.
**Recommendations:**
The more severe the psychiatric impairment, the more important the need for direct consultation with the treating mental health practitioners. The Board may wish to bring in its own mental health consultants in order to evaluate the candidate’s situation.

The candidate has a history of remission from any moderately-to-severely impairing conditions for not less than five years without necessity for psychiatric hospitalizations, though treatment may continue.

The candidate has a history of responsible management of any mildly-to-moderately impairing conditions for not less than five years, and has an effective treatment program in place.

**Alcohol Abuse/Dependency**

**Standard:**
The candidate demonstrates no present abuse or dependence upon alcohol.

**Rationale:**
Alcohol abuse (short-term intoxication) and/or alcohol dependence (repeated intoxication and/or alcoholism) are mental disorders known to impair functioning in pervasive ways. Candidates who suffer from these disorders will have greatly limited effectiveness and are at risk for professional misconduct.

**Recommendations:**
Consider requiring a minimum of one year’s sobriety prior to certification for candidacy.

If any of the critical behaviors are recent (within five years), then consider requiring a formal “substance abuse evaluation” by a certified chemical dependency treatment specialist.

If there is clear evidence of alcohol dependence at any time, then consider requiring participation in Alcoholics Anonymous (AA) or equivalent program and continued involvement in such a program for not less than five years prior to certification for candidacy.

**Chemical Abuse/Dependency**

**Standard:**
The candidate demonstrates no present abuse or dependence upon either non-prescribed pharmacologic agents or prescribed medications.

**Rationale:**
Chemical abuse and/or dependence are mental disorders known to impair functioning in pervasive ways. Candidates who suffer from these disorders will have greatly limited effectiveness and are at much greater risk for professional misconduct.

**Recommendations:**
If the history reveals occasional and/or experimental use limited to an adolescent period, then consider requiring not less than five years of sobriety prior to certification for candidacy.

If the history reveals any adult use of illegal substances, or any misuse of a prescribed pharmacological agent, then consider requiring a formal chemical dependency assessment from a credentialed chemical dependency treatment specialist. A period of not less than five years of sobriety prior to certification for candidacy would also be appropriate.

**Legal**

**Standard:**
The candidate shall be respectful of the law and evidence legal responsibility in personal habits.
**Rationale:**
This may not, on the surface, appear to be a behavioral health issue, but similar issues around maturity, discipline, and judgment come into play. In addition, one’s approach toward the law often is a barometer of one’s respect for authority generally, and unresolved authority issues may significantly hamper clergy effectiveness.

**Recommendations:**
Candidates may have no more than three moving violations (traffic) within the preceding three years.

A history of arrest for any misdemeanor or felony requires investigation of the circumstances of the arrest including review of the offense (police) report. Results of the investigation may require an appropriate period without history of difficulty or further arrest prior to certification for candidacy or continuance.

A history of conviction for any felony is, under most circumstances, permanently disqualifying.

**Family Violence**

**Standard:**
The candidate has a history of resolving family conflict in a nonviolent manner.

**Recommendations:**
The candidate shall ordinarily have not less than three years without reports as described.

The presence of any critical behaviors requires an investigation into the facts and circumstances, and an appropriate period may be required prior to certification for candidacy or continuance. The candidate shall acknowledge his/her behaviors and may have entered into family counseling or other appropriate treatment.

**Divorce or Infidelity**

**Standard:**
If the candidate has been divorced, or if there is evidence of infidelity, the candidate must have done sufficient exploratory and reparative work to demonstrate and/or articulate the impact of the health of married life on quality of ministry.

**Recommendations:**
If there is a recent divorce (within 2-3 years), then the candidate should be able to articulate any dysfunctional patterns in intimate relationship and have taken steps to safeguard current or future marriage covenants.

If there is insufficient evidence that sufficient exploratory or reparative work has been done, the Board may wish to recommend or require a course of psychotherapy and/or other conditions, such as a delay of one year.

**Sexual Misconduct**

**Standard:**
The candidate has no history, or complaints, of sexual misconduct or charges of sexual harassment having been brought against him/her.

**Rationale:**
Candidates must model in their personal life and behavior a healthy and sacred view of sexuality so as not to misuse the clerical office.

**Recommendations:**
Consider further assessment.

The Board of Ministry should explore in an interview with the committee the steps the candidate has taken to identify and understand and deal with the psychological vulnerabilities that contributed to the behavior, and what safeguards the candidate has put into place to guard against the possibility of similar behavior in the future.

The candidate should have no evidence of sexual misconduct for a minimum of three years. A candidate must articulate a plan to insure that such behavior is unlikely to recur. This plan may include intensive psychotherapy and/or ongoing supervision, or other conditions required by the Board.

**Sex Related Crimes**

**Standard:**
The candidate shall have no history that poses risk of sexual harassment, sexual assault to adults or children, nor history of any sex-related offense.

**Recommendations:**
If the candidate has committed a sex-related crime, he or she should be permanently disqualified. Certainly the candidate is entitled to be considered innocent until proven guilty, so a written accusation or arrest alone is not sufficient for disqualification, but either one would raise significant questions which the Board would need to explore in depth.

The recommendation for permanent disqualification reflects the massive legal exposure an Annual Conference were to take on were it to place in ministry a known sex offender. Beyond that reality, however, is the awareness that current available treatments for such offense are of limited utility, with high rates of recidivism.

**Definitions of Inappropriate Sexual Conduct:**

**Sexual Harassment:**
Includes solicitation, physical advances, or verbal or nonverbal conduct consisting of a single intense or severe act, or of multiple persistent or pervasive acts, by a candidate toward another individual, that are sexual in nature and occur whether in connection with the candidate’s clerical activities or personal life, and that are unwelcome, offensive, or create a hostile environment for the affected individual.

**Sexual Impropriety:**
Sexual impropriety is deliberate, repeated and/or unwelcome comments, gestures or physical acts of a sexual nature that include, but are not limited to:
- Behavior, gestures, or expressions which may reasonably be interpreted as inappropriately seductive or sexually demeaning.
- Making inappropriate comments about an individual’s body.
- Making sexually demeaning comments to an individual.
- Making comments about an individual’s potential sexual performance.
- In a counseling relationship, requesting details of a person’s sexual history when not clinically indicated for the type of consultation.
- Requesting a date.
- Initiating conversation regarding the sexual problems, preferences or fantasies of either party.
- Kissing of a sexual nature.
- Sharing or displaying pornographic material with another person.
**Deviant Sexual Behaviors:**
Deviant sexual behaviors include, but are not limited to, behaviors such as pedophilia, exhibitionism, or use of sexual paraphernalia, and preoccupation with pornographic materials for sexual stimulation and gratification.

**Pornography.**
There is general concern about the problem of clergy who are addicted to pornography and its result on the clergy, his/her family and the church. Conversations resulting from this concern include our desire that our care of clergy be pastoral and grace-filled, while maintaining a high level of professional accountability.

The General Board of Higher Education and Ministry (GBHEM) has guidelines that have been approved by the Indiana Conference Board of Ordained Ministry. They were developed by a consortium of clergy, laity, pastoral counselors, addiction specialists and legal experts. Counselors of various denominations all recommend removal of clergy from the church (for both substance abuse and sexual deviancy) for a minimum of three years. The GBHEM recommends, as do other denominations, that the 3 year minimum includes three years prior to commissioning. In accord with these guidelines, the following recommendations are made for clergy addicted to pornography:

1. Clergy would begin counseling after acknowledging that recovery is an ongoing, lifelong process
2. Steps to be followed include:
   a. Minimum 3 year Leave of absence
   b. Ongoing counseling with certified addictions counselor for minimum of 3 years
   c. Active participation in pornography specific 12 step program
   d. Maintain covenant with clergy peers
   e. Daily devotional reading on the theology/spirituality of addictive behavior
   f. Daily personal moral inventory
3. For clergy to be returned to appointment:
   a. Regular attendance with pornography specific 12 step group
   b. Sponsor relationship
   c. Daily devotional reading
   d. Daily personal moral inventory
   e. Psychological assessment
4. Career-long requirements
   a. Annual accountability to BOOM
   b. BOOM to make annual recommendation to Cabinet, with report to remain in clergy official file
   c. Periodic psychological testing, with reports to remain in clergy official file

Local Pastors
Frequently Asked Questions (FAQ)

Question: Are local pastors a relatively recent phenomenon in United Methodism?

Absolutely not. From the very beginning the Wesleyan Movement employed non-ordained persons for preaching and providing spiritual leadership. When the Methodist Movement first came to America there was no such thing as trained clergy except for those denominations who brought European trained ministers to lead ethnic and non-English speaking churches. There were no seminaries in America. Therefore, those early Methodist leaders happily recruited fervent men and women who were not ordained to “preach the Word”, to tend the flock, and to start new churches. From the earliest days until presently, non-ordained ministers (now called “Local Pastors”) have been an integral part of the Methodist Movement and The United Methodist Church.

Question: How does one become a local pastor? (Book of Discipline, ¶ 315)

A person may receive a “license for pastoral ministry” giving authority to be a local pastor when:

1. They are a certified candidate for ordained ministry;
2. They have successfully completed the License to Preach School;
3. They have been approved by the Annual Conference (recommended by ¾ vote of the District Committee on Ministry (dCOM) and affirmed by the Board of Ordained Ministry (BoOM) and the Clergy Session of Annual Conference);
4. They have received an appointment by the bishop.

Question: Can a person remain a local pastor forever?

Each year the District Committee on Ministry (dCOM) recertifies and relicenses each person after the person has demonstrated “progress” in education and professional growth. The Book of Discipline (BOD), in ¶ 319.3, indicates that a full-time local pastor must complete the educational requirements of the Course of Study (COS) within eight years, and a part-time local pastor within twelve years.

The Book of Discipline (BOD), in ¶ 319.4, gives the local pastor the option of remaining in a “local relationship” upon completion of the Course of Study (COS). The request to remain “local” is made to the District Committee on Ministry (dCOM) to be approved by them.

Question: Is a license for pastoral ministry is good only for one year?

Yes. The local pastor license must be renewed each year by completing necessary educational requirements and meeting with the District Committee on Ministry (dCOM). If the committee agrees, it will make recommendation to the Conference Board of Ordained Ministry (BoOM) and the Clergy Session of the Annual Conference for approval. (Book of Discipline, ¶ 316.2)
**Question: What if a person becomes eligible for the license between sessions of the annual conference?**

A person who has completed the process for licensing may be granted an interim license upon recommendation of the cabinet, the District Committee on Ministry (dCOM) and the Executive Committee of the Board of Ordained Ministry (BoOM). *(Book of Discipline, ¶317)*

**Question: What pastoral and ministerial authority does a local pastor have?**

A local pastor has the pastoral and ministerial authority of any United Methodist minister including the privilege of officiating the Lord’s Supper, baptism, and the marriage service. However, the authority is limited to the church or churches where the local pastor is appointed. The local pastor does not have the authority or privilege of being an itinerant minister. *(Book of Discipline, ¶317)*

**Question: If a member or an active participant in my congregation is marrying a person of another denomination and the wedding is to be in the other church or in a non-church setting, can I participate as an officiant?**

Yes, with a couple of stipulations. The other church or wedding site must be the State of Indiana. In addition, the local pastor must contact their district’s Conference Superintendent and ask that the venue for the ceremony be added to their charge for the date specified.

**Question: Can I officiate the wedding of strangers who come in from the street?**

Answer: Maybe. If the local pastor believes officiating the marriage ceremony is a natural extension of the ministry of the church they are serving and if the marriage is in the church in which they are appointed, the answer is yes. If the wedding is to be at the city park or at a church that the local pastor is not appointed, the answer is no. *(And don’t forget, the Book of Discipline (¶ 340.2 (3)(a)) requires the local pastor to provide marriage counseling in advance of the ceremony!)*

**Question: Can I officiate a marriage ceremony as soon as I receive my license for pastoral ministry?**

Answer: Yes, the local pastor may officiate a marriage ceremony in their church as soon as the license is issued.

**Question: Are the limits placed on marrying persons also placed on serving the Lord’s Supper?**

Answer: Yes. The license gives the local pastor the ministerial authority only in the church or churches where they are appointed. Of course, they may take the sacraments to the hospital rooms and homes of your parishioners, or to a retreat of your church as an extension of the church’s ministry.
Question: What are the rules about funerals?

There are no requirements by anyone (state or church) that a licensed or ordained minister must preside at funerals or burials.

Question: What about preaching at places other than at the church to which I have been appointed?

There is no requirement that only licensed or ordained persons may preach. If a local pastor preaches in the next county or holds a “revival” in the next state, the license is not an issue. They will be preaching as a layperson. The license gives you ministerial authority only in the church or churches where you are appointed.

Question: Where do I go if I have questions about ministry or face problems or questions for which I have no answers?

The Book of Discipline, in ¶316.4, says that local pastors are to be assigned a clergy mentor. They should call the chair of the District Committee on Ministry (dCOM) or their district’s Conference Superintendent to inquire about this. It is always better to call the Superintendent sooner than later.

Question: Can a local pastor participate in the denomination pension program?

Yes. They must participate unless they sign a waiver.

Question: Are there some special provisions in the tax laws regarding ministers?

The tax code is in flux concerning United Methodist clergy. If in doubt, or if they have questions, they should consult a tax expert. The district’s Conference Superintendent or the Conference Director of Administration and Financial Services may be able to help them find resources.

Question: Are local pastors required to participate in continuing education?

Yes. Upon completing the License to Preach School, a local pastor must enroll in and complete the Course of Study (COS) Program. This program is 20 courses that cover theology, church history, worship and preaching, mission and evangelism, and administration. The COS Program is to be completed within eight (8) years for Full-time Local Pastors or twelve years (12) for Part-time Local Pastors.

Upon completion of the COS Program, a local pastor is required to participate in a regular program of Continuing Education. This program is self-directed and can be tailored to their own unique development and pastoral setting. One option is the Advanced Course of Study Program which consists of 32 semester hours of graduate theological study.

Question: If I need pastoral care or counseling and feel alone, are there resources for me?

Yes. Call the district office for more information.
Question: Can a local pastor participate in ministerial associations? What if they ask me to preach at a sunrise service on Easter?

This would be appropriate especially if the local church has agreed that participation in this association as an expression of their ecumenical ministry.

Question: What if the ministerial association asks me to serve communion at the Baptist Church on Good Friday?

In order to officiate over communion, the local pastor must contact the district’s Conference Superintendent and ask that the venue for the service be added to their charge for the date specified.

Question: Can a local pastor wear a robe and/or stole?

A local pastor may wear a robe or alb. A stole is traditionally seen as a sign of ordination in The United Methodist Church and is conferred at the time a person is ordained. It is generally not customary for persons to wear a stole if they have not been ordained.

Question: What if I want to be an Associate Member of the Annual Conference?

The Book of Discipline ¶ 321-323 outlines the requirements and process for becoming an Associate Member.

Toward an Effective Interview Process

The Purpose of Interviews in Light of Evaluating for Ministry

A process to determine the fitness or readiness of individuals for ordained ministry.

At best, a collaborative process in which candidate and committee join together to discern person’s call and gifts.

At worst, a power abuse used to screen and gate-keep and not form and support.

Definitions

*Evaluation* – to determine fitness, readiness and effectiveness.

*Formation* – the shaping and integration of ministerial leadership identity.

*Interviewing* – the process whereby the interviewee and committee join in the work of evaluation and formation.

Theological Components of the Interview

*Community*: The community within which the interview takes place represents the Body of Christ.

*Covenant*: The interview process is the practice of Christ’s covenant.

*Hospitality*: The interview participants express the nature of church. Is hospitality experienced?

*Are community, covenant and hospitality interwoven in the interview process?*

What an Interview Is Not

A therapy session

A coaching session

An inquisition

A rescue mission

*Taken from a GBHEM power point presentation - Full presentation is available at www.gbhem.org*

Risks in the Process

The psychological model places unbalanced weight on the scores of testing or the review of the clinical psychologist.

The diagnostic approach, searches for problems and issues to be corrected.

Common Pitfalls

Overuse of questioning; bullet questions

Inordinate reassurance or praise

Interpretation

Persuasion

Undue identification

Clever humor

Domination

Overcoming the Risk

A vocational identity approach uses psychology and testing but uses them in the context of understanding the identity of a person and how that identity will develop into ministerial leadership identity.
What an Interview Is:

It is an inquiry and exploration process, bound in community, covenant and hospitality, co-joined by committee and interviewee in the work of formation and evaluation, to determine the way the interviewee meets the standards of ministry as formulated by the Board of Ordained Ministry and guided by The Book of Discipline.

Interviewing Skills

Preparing for the interview

Creating an appropriate setting for interview

Shaping questions

Interview Type

The decision asked for in any interview shapes the purpose and the questions.

Types of Questions to get Positive Results

Limit restrictive questions: yes or no; factual answers

Use open-ended questions

Address open-ended situations

Command questions solicit info naturally

Choice questions lead to “going deeper”

Phases of the Interview Session

*Team briefing* – A moment prior to the interviewee’s arrival when the team reviews the team roles, the strategy and questions (the talking points), and centers in on the arriving person.

*Initial interview phase* – Establishes the climate of welcome, putting person at ease, states the purpose and the plan and goal.

*Middle phase* – Turns to the purpose and talking points with an effort to identify and come to consensus about issues with balance between concern and straight-forward communication.

*Final phase* – Reviews significant points; informs when interviewee will hear back; leave time for the person’s response.

*Debriefing phase* – The team reviews the interview, makes a decision and prepares a report to the full board.

*Follow-up phase* – Report to the full board and discuss follow-up, if necessary. If possible, someone should report to the interviewee.
Interview Feedback

Feedback offered in the interview setting is given as part of the back-and-forth of conversation and helps affirm that what is meant by the speaker is heard by the listeners.

Feedback following the interview is to be done both orally and in writing.
