TTL - Talk, Tour & Lunch!
Lucille Raines Residence Talk-Tour-Lunch program is a great way for your District or Congregation to become acquainted with our Program and Facility.

Coordinated by the Executive Director and Program Coordinator and featuring a Resident’s story of their life before and after their stay here, groups can see exactly what a difference their works and contributions do to continue “Changing Hearts & Lives.”

Any size group is welcome and at only $5.00 per person, including a meal in our spacious mezzanine, it’s a great value, too.
