The Young Voices Challenge invites you to have a meaningful conversation with a young person by the end of 2019.

Questions to consider asking:

Where are you experiencing joy?
Where are you experiencing frustration?
What brings you hope?
What are some of your current fears?
How do you think God impacts your life?
How do you think you impact the lives of others?
Do you have a story of faith that you would be willing to share?

For you to consider:

What did I learn?
How does this impact my ministry?
