Comments: _____

We agree that the above is a fair statement of the condition of the parsonage at this date. As church officers, we agree to keep the parsonage in repair and to redecorate or update on a regular basis. If there is damage to the pastor's personal property, which is the church's liability, we agree to make restitution.

As pastor, I agree to treat the church parsonage with respect and pride, and leave the house and grounds in as good a condition, or better, than I found them. Should there be damages incurred as a result of pastoral neglect, I agree to pay for the cost of repairs as negotiated with the Staff-Parish Committee and the District Superintendent.
