

Church Multiplication Grant Application Information

A. Description and Purpose: Grants are available to Indiana United Methodist Churches to help them launch new campuses, congregations, micro-churches or house-churches, vital mergers, new churches, and relaunch dying churches. This grant is to help establish new congregations of at least fifty constituents. There are Fresh Expressions grants for smaller new faith community efforts.

B. Amount of Grant: The grant will provide up to \$25,000 per year for up to three consecutive years; therefore, the maximum amount is \$75,000. The grant funds may be used for any costs related to starting the new congregation. This includes, salary support, supplies, equipment, facility purchase and renovation, and ministry expenses.
