

Community of Hope United Methodist Church: East District, Delaware County

1968 W Main St, Muncie, IN 47303

(765) 289-7337

Community of Hope is an inclusive faith community next to the Ball State University campus. We are affiliated with the Reconciling Ministries Network (an United Methodist organization that welcomes the LGBTQ+ community) and care deeply about welcoming and affirming everyone—no exceptions. We work closely with several local churches (of various denominations) to offer shared ministries for children, youth, and college students. We are passionate about serving our city and campus in practical and meaningful ways through community involvement and projects like our mission garden as we share God’s grace amid our diversity. Find us at cohuncie.org, various social media, and in person on Sunday mornings at 10:00.

Pastors Colin and Heather Cress can be reached at: pastorcress@gmail.com
