

Legacy Fund

The Legacy Fund is a permanent endowment held at the National Office. Income from the Legacy Fund will ensure the future of United Women in Faith.

Legacy Fund donors are encouraged to either

Mail their gifts and pledges directly to the National Office or,
Make their gift online at <https://uwfaith.org/give/legacy-fund/>

For Legacy Fund contributions received by the district treasurer, treasurers are asked to send all Legacy Fund gifts and pledges directly to the National Office as they receive them rather than sending them through channels.

Checks and pledge cards can be sent as is. Cash should be deposited and sent in one check. There is a cover sheet to accompany these gifts. Send the information on page two with your check so gifts can be acknowledged promptly and accurately by the National Office.

Address for sending checks and the form:

United Women in Faith
Attn: Legacy
Church Center for the United Nations
