

First Name	Last Name	District	Church Membership	Gender	Ethnicity	Age Bracket	Have you served as an Equalization Member before?	How many years have you served as an Equalization Member?	In 200 words or less, please share why you would like to avail yourself to serve as an Equalization Member
Barbara	Ballard	East	High Street UMC, Muncie	Female	White	66 - 75 years old	Yes	1	I learned so much last year from being an Equalizing Member. I think my experience will help me understand the process and procedures better this time.
Alisa	Clapp-Itnyre	East	Central UMC, Richmond	Female	White	51 - 65 years old	No		I am the daughter of a UMC minister (Detroit Conference), attended the Wesley Foundation @ the University of Illinois, where my husband and I met. We have been active in 4 UMC churches over the years, including Central (Richmond) for over 15 years where I am active in its music program and now on the Administrative Council. I am a committed UMC member, worried about its future, but wanting to help at this time. I am in my mid-50s so might represent an age group that may not be as active in the UMC. And I am the mother of an LGBTQ+ daughter so this issue that is dividing the church right now is a very important one to me. I would like to be a part of the church's reconciliation with sexuality issues and its LGBTQ+ members in the upcoming years.
Jesse	Longsworth	East	Muncie	Male	White	41 - 50 years old	Yes	2	I love the UMC and I care about what happens with it. If I can help in any way to move the denomination forward I would want to. Plus, I am in the process of candidacy for INUMC but not there yet. So, I want to be involved as much as possible.
Judy	Moulton	East	Parker City	Female	White	76 years or older	No		My duty to serve my church.
Stephen	Robinson	East	Fountain City Hopewell UMC	Male	White	51 - 65 years old	Yes	2	We are deeply concerned of decisions to be made and voted on at Annual Conference. We are a small congregation in the East District and deserve proper representation. I may be the only person from our congregation who can attend. Also we will have no clergy representation as I am a CLM and we are not given a vote. I do not think there will be any Lay representation unless I am elected as an Equalization Member. Thank you for the chance to serve.
Judith	Whitney	East	Parker City UMC	Female	White	66 - 75 years old	No		My daughter is Pastor Tricia Davis Williams
Mary Margaret	Willbanks	East	Community of Hope, Muncie	Female	White	66 - 75 years old	Yes	5	I am proud of my denomination. I want to be a part of her continuing outreach in Indiana and the world. I understand how the process of Annual Conferences work and I am willing to be there for the business AND the worship parts. I want to be a part of the decisions that are made on our continued growth and expansion into the mission of being Methodist disciples of Jesus Christ.
Jackie	Zlaty	East	Connerville First UMC	Female	White	51 - 65 years old	No		The east district is desperate to feel connected and needs equalization members to help us as we move forward in these trying times. This will enable us to have a voice.
