Petersville UMC is a rural congregation in Bartholomew County, just 3 miles from Columbus. We are imperfect people who worship a perfect God every Sunday at 9:00 a.m. You will find children in our services, participating actively alongside adults. We have United Women of Faith and United Methodist Men's groups, as well as Sunday evening Bible Studies and a weekly knitting circle. Committed to spreading Christ's love, we are engaged in addressing homelessness and food insecurity, partnering with Love Chapel: The Ecumenical Assembly of Bartholomew County Churches. We welcome you to come visit our close-knit congregation, just as you are, and become part of our church family.
