Our multilingual church stands as a beacon of hope in the northwest portion of Indianapolis. We have separate English (10:00 a.m.) and Spanish (11:30 a.m.) worship services Sunday mornings, and bilingual activities almost every day of the week. Our vision is to nurture each other in faith and to walk with Jesus. We are a richly diverse church family serving as one body. We pray fiercely, knowing that God is in control and that He hears us. We welcome you to worship, fellowship, serve, learn, and be blessed alongside us! You will never be the same!
