Salem is a congregation composed of loyal and long-standing generations who find greater purpose in working together towards serving their community. We are located in Straughn, nestled in the countryside of South Henry County and have been around since 1842. Salem has been a staple in the community serving in big ways, but more commonly in quiet acts of generosity without asking for recognition in return. Join us for a traditional service where prayer is a priority on Sunday mornings. Pastor Rob Upchurch welcomes you to our congregation and is ready to walk alongside you in your journey. Worship is each Sunday at 9:30 a.m.
